the Watchtower Society is not much different from other religions. Therefore, do not rush to find those who will feed you, for a Christian has only one teacher - Jesus Christ. As Christ was anointed by the Holy Spirit for the Kingdom, before the end of the old system and began his earthly ministry, so the "saints" will begin their ministry on earth - before the end of the Christian world order. . What we need to understand, in ancient times, the people from whom Christ and the first "saints" came were the people of the Jews, who were in the Old Covenant to serve Jehovah. It is clear that, by analogy with antiquity, the last "saints" can also come only from the people of the true God. In the first century, Jehovah used the Pharisees. To accomplish his purpose he will end with the Watchtower, who like the Pharisees of the day dishonored Jehovah's name. Brother Ken, "Jehovah bless you and protect you" and your family.

How can we not remember the fallen king of Babylon, who was told "you were weighed on the scales and found insufficient"? The same fate awaits all those who do not learn to love God and the truth as Jesus Christ did. You have a deep truth in this commentary, excellent Brother Robert.

You are right, brother, I have a follow-up every year for my health, I went and my doctor asked me, if I was vaccinated. I told him no. He replied rather curtly, "But sir, we won't save you if you relapse. This is proof that democracy will not exist for the very near future. I am following you, Burt, I am going to bed.

Here is an example, brother, our brothers learned from the Watchtower teachers that 'Jesus came in 1914' and after all these years, They have just accepted the lie and continue to believe without thinking. Spiritual childhood or immaturity spiritual is the same. Other examples: the mark of the beast, spiritual paradise, the belief that the Watchtower will still exist after the tribulation. Yet the Bible says control all things well (1 Thessalonians 5:21). With Jehovah and Jesus, there are no lies Everything is: love, justice, fidelity, peace and truth.

The problem for our brethren is spiritual immaturity and Jesus simply loved the Father, listened to him and learned from him, doing everything to please his heart. One of the most important signs of Jesus' maturity is that he was independent of people's opinion, that he was not a manipulator, and that it was impossible to manipulate him. This infuriated the religious leaders of his day - Jesus did not need them - for he who continues to eat milk does not know the word of righteousness, for he is a little child. But solid food is for mature people, for those whose powers of discernment are exercised, through use, to distinguish between good and evil (Hebrews 5:13,14). Simply brother.

Good evening Burt, doubt we all have at some point in our lives and unfortunately for us it is a weak point directly used by the Devil and we must follow Paul's advice (Ephesians 4:27). The culprits of the present situation (high finance and puppet governments), Jehovah knows and for this reason he has given an appointed time to teach us "good and bad" and as we know that time is fast approaching. These world leaders of enlightenment, what did they do? . They help us to build a society for the good of humanity (1 John 3:18). The goal sought by these injections is surely for a total enslavement of our own body which does not belong to them (Romans 8: 20 to 22). as the article says "the case will be closed and the lights will go out for the Accuser of our brothers" (Brother Robert). However, brother, The field is the world. The good seed are the sons of the Kingdom. The weeds are the sons of the wicked and the enemy who sowed it is the Devil. The harvest is the final period of a world, and the reapers are angels. The weed is picked up and burned: this is what will happen in the final period of the world. The Son of Man will send his angels, and they will gather up and remove out of his kingdom all those who cause others to stumble and all those who disobey the law.

It makes perfect sense to me that this Bible passage is one of your favorites, brother, as the scriptures tell us: Anyone who believes that Jesus is the Christ is born of God, and anyone who loves God, the one who gave birth, loves the one who is born of him. your faith is great, brother, Who can overcome the world? Isn't it the one who believes that Jesus is the Son of God? . Amen, brother.

Brother Burt, we have everything we need for free in the scriptures: For you know that when your faith is tested this way, it produces endurance. But may he continue to ask for it in faith, without doubting at all, for he who doubts is like a wave of the sea that the wind raises and pushes in one direction or another. May the brother in humble condition rejoice in being lifted up. Happy is the man who continues to endure trial, for after that he will be an approved man and receive the crown of life, which Jehovah has promised to those who continue to love him. Amen, brother.

the Transfiguration is a key element to come. Jesus is explicitly called "the morning star" in his very last prophetic message (Revelation 22:16). Thus, having received the sealing and the last testimony of Jesus Christ, who "is the spirit of prophecy" (Revelation 19:10), the "remnant" of the saints, symbolized as the "two prophets" of Revelation, will begin their last ministry. As it is recorded in chapter 11 of Revelation, all living will face a decisive choice: either you will worship the "beast" or you will not be able to buy or sell (Revelation 13: 16-17). In fact, without bowing to the "beast,"

everyone who is alive will be deprived even of the opportunity to eat. In such a case, it is important to remember that even under the most difficult conditions, none of the faithful and “saints” will be forsaken of God (Ps. 37:25). The spiritual battle will ultimately bring justice, peace, and the love of God to every righteous person. Now and forever. And may the "Morning Light and Star" rise in your heart!

Our multibillion-dollar psychopaths have managed to set in place for the duration of covid 19, fear with the obligatory injections into the earthly sphere and have succeeded in dividing humanity. The next step is surely the major trigger of a swift and effective armed intervention to seize world power and then they will walk away with the much awaited reset (Eighth King). The decisive competition is taking shape. In biblical terms, And he stopped on the sand of the sea (Rev. 13.1- // Jer. 5.22.). a war broke out in the sky. (Rev. 12.7 to 12 - // Jer. 35.22 to 25). The outer court left to the nations (Ap.11.2 to 5 - // Ap.17.8 to11). A possibility, the future will reveal to us.

Indeed, Gareth, a person who remains in spiritual infancy all his life behaves in much the same way as a person with mental illness. Wisdom and discernment are not their inherent strengths. They do not think about the deep things, they let themselves be guided by the GB and follow the exclusive advice of the elders, they do the total opposite of what Jehovah and Jesus teach, it is indeed a sad fact. Even the scriptures teach everything to check and verify, they only check what their masters teach them. They are spiritual children as you say so well, brother, I also hope to see them grow up and finally become responsible adults.

Hello Irenaeus, the trust of the TJs in the Board of Directors is described in several books of the prophets and apostles, we will unfortunately not know how to change anything, the illusion that they are in the truth has been created by the GB for more than 'a century and they (TJ) think that it is impossible for them to be deceived by the faithful and discreet slave. For Christ and God, the essential is not the form or the words chosen, but it is sincerity, simplicity, impartiality and justice. the complete absence of any hint of cunning, and at the same time a warm love and a sincere desire to help all who respond to the truth and aspire to true justice.

2 ↑ ↓ ViewView in discussion

Genco Giuseppe · 11 days ago

The truth cannot take root in the soil of an evil heart and I like to draw parallels with our past history. Yes, deception was one of them: they were selfish, loved self-esteem and self-elation over their own kind, loved flattery and lying. This is why they did not recognize Jesus as the Anointed One of God. The great mistake of our ancestors was to believe that Jesus would reign in their ways, that is, by being "above others". Instead, Jesus proceeded to praise the Heavenly Father who does not seem to show up in our busy lives. "What? A naïve? Or a clever fraudster?" In this way, he was almost always persecuted when he preached in or near synagogues. As soon as he had time to quote at least a few texts simple scriptures, the crowd got excited and wanted to beat him (Luke 4: 16-30, etc.). Is that why history will repeat itself again. Think about it, the GB is following this same way, does she not continue to impose her laws on the faithful and not that of our Heavenly Father. It is a very serious reminder that today we must think with kindness, truth and justice. To know and love not only Jesus , but above all the Heavenly Father as they really are. It is a very serious reminder that today we must think with kindness, truth and righteousness. To know and love not only Jesus, but especially the Heavenly Father as he is. they really are. For this reason, the faithful members of the people of God will be purified of the idolaters q ui worship earthly powers and / or bad religious leadership.

The Streets Of Major U.S. Cities Are Being Flooded With Far More Drugs Than Ever Before

Genco Giuseppe · 8 days ago

Anarchy is fast approaching; everything democratic in the world is being destroyed by the cunning, deceit, greed, arrogance of those who rule us under the influence of the multinationals who rule our "puppets" manipulated against our civilization crushed by these psychopaths in power. The tyranny is such that the whole world is in its grip and does not even take into account the world of everyone's free spirit. We have the proof. , by the manipulation in the world of the vaccine imposed worldwide in all companies, religions and policies by the effective term of "democracy". Since the pandemic "covid 19", all freedom is withdrawn in state organizations, cultural, leisure , commercial, Christian. The next stage will surely be food shortages and logically the civil unrest that will accompany them all over the world. Obviously our charming "kings of the earth" know very much that the direction they are pursuing will be achieved only if the "Modern Tower of Babel" takes shape quickly. However, this Modern Tower of Babel will have permission to fully dominate this world for 42 months, then the Sovereign Creator of the universe with his Son and his followers will definitively reclaim this land that has belonged to him since his creation. The cycle of darkness ends. Better is the end of a thing than its beginning. Better to be patient than to be haughty. Looked ! He comes with the clouds, and every eye will see him, even those who pierced him; and all the tribes of the earth will strike their bosom with sorrow because of him. Yes, amen.

Hello Ronb60, the collapse of the global society that we are waiting for as the launch of the tribulation which will be cut short is probably the reset which has already been postponed twice this year and is scheduled for the first half of next year so I guess that its collapse will create chaos all over the world. <https://www.rtb.be/info/ec....> Now, brother, are they (globalists) ready? Only Jehovah knows it. So three possible solutions 1. The tribulation will take place before the reset and then the rise of the abyss of the beast with the reset and the arrival of the 8th king. 2. the tribulation begins after the collapse of civilization and then the rise of the beast with the 8th king after the collapse of civilization and the tribulation cut short. 3. Only Jehovah knows it and we continue to wait.

The updated board strategy (G B) confirms: These people have no empathy; putting on an endlessly garish show and deliberately lying gives them pleasure - these are their favorite ways of manipulating others; they show cruelty to animals and people, appreciate the suffering of others, especially when they themselves cause this suffering. vigilant readers know this very well. However, there is a special trait of them called "myopia" - and this is the main reason. To quote the example of the apostle Paul also identified them very clearly, writing to the brethren that "our struggle is not against flesh and blood, but against the spirits of wickedness in high places and against rulers. darkness of this world (Ephesians 6:12). But pride itself is the sister of myopia, the bloody and crushing pride of the idolaters of Revelation leads to the murder of the saints and becomes the main reason for the subsequent intervention of the Almighty: After all, in the same scriptures, only the change in hearts or the repentance of the criminals can alleviate the punishment. And if Revelation is happening (including in our lifetime), the Bible and the lessons of the past say it is not the end of mankind. Stay awake and stay human at all times!

Given the seriousness of the current situation of his apostasy exposed, the Watchtower society should recognize its mistakes and start afresh to honor the Name of God. Instead of repenting, another example of false dogma. Daniel 12.9 to 13. Just reading these scriptures, the angel told Daniel that he had to rest because this vision is for the end time and for the Watchtower, the book of Daniel is already sealed. After all, if you ask such people to explain in detail how exactly Daniel's prophecies "came true," all their explanations and interpretations will prove to be untenable. For they will certainly contradict certain details of the prophetic context. Hence it also becomes clear that these do not understand Daniel's prophecies of the last kings of the north and south. How good you are, O woman, at seeking love! You have learned the tricks of wickedness. You even have the hem of your dress stained with the blood of poor and innocent people. Yet I didn't catch these people breaking into your house. Their blood covers the hem of your dress. - Jeremiah 2.33,34 -

The Second Coming of Christ – What Will It Mean for You?

Genco Giuseppe · 15 days ago

For an understanding of the words of the apostle (2 Peter 1.19 to 21). The very construction of the sentence on the upcoming ascension of this "star" clearly indicates that in Peter's time, this "star" had not yet risen. And this is why Peter called "the surest word of prophecy" - a temporary lamp.

In saying that those who have accepted Christ receive his "morning star" (GB) already today, such people are mistaken or are deliberately cunning, for Christ directly named the time of reception of "the morning star" ". And to the overcomer, to the one who conforms to my deeds to the end, I will give power over the nations and he will lead them with an iron staff, so that they will be broken like vessels of clay - this power , I myself received it from my Father. And I'll give him the Morning Star as well. Let him

who has ears listen to what the spirit says in the assemblies. " - Revelation 2: 26-29 - this simple reading contradicts the Watchtower on the coming of Christ in 1914. The purer the heart, the more this understanding grows (Revelation 22: 10-11)

The Watchtower conspiracy against Jehovah

"Throughout the history of mankind, the might of world powers has been accompanied by plundering of weak peoples, wars, violence, extraordinary smugness and arrogance. It is not It is no coincidence that the Bible repeatedly describes how the Almighty humbled such powers, and it is not for nothing that the Bible compares them to wild and ferocious beasts. And just as Jehovah has shamed the rulers powerful of the day (Amos 2: 1-16), so too the last "king of the south" must lose absolute leadership in favor of his small but very cunning competitor - the king of the north. its opponent - until the "Eighth King" is overthrown and followed by the fulfillment of the Kingdom of God ". Honestly, these Bible verses are addressed to which people? . How can an honest and faithful Christian understand this.

And Jehovah spoke to me again. He said to me, "Son of man, tell him, 'You are an earth which will not be cleansed and which will not receive rain in the day of indignation. Your prophets have conspired with you, like a roaring lion tearing prey. They devour people. They steal treasures and precious things. They have made many widows in your house. Your priests have broken my law and they continue to desecrate my holy places. They do not distinguish between what is holy and what is ordinary, they do not make known the difference between what is unclean and what is pure, they refuse to keep my Sabbaths, and I am profaned in them. Your princes at home are like wolves tearing prey; they spill blood and kill people for dishonest profits. And your prophets have covered their acts with a white coating. They see false visions and they utter false omens; they say, "This is what the Sovereign Lord Jehovah says," while Jehovah has not spoken.

Kevin, which is certain in the Bible, the Mark of the beast will only take place during the period when the saints represent Jehovah in the arena and as you explain, Jehovah gives a red line that Satan must not cross . For this vaccine story, courage brother, we have prayers and repentance. What scares me about this Vax is that it becomes compulsory in the whole world and that there is no revolt in the world, it does not seem logical to me or it is a preparation of the saints for the sealing, at the time of the coming of Jesus, or a diversion for the initiation of the tribulation (may be

the reset). At the moment, I have already refused twice and as I wrote in a comment, I hope that the tribulation will begin before the worldwide obligation of the Vax, even though the tribulation will be something very serious, dramatic, horrible. May your kingdom come, courage Kevin.

My thought is that we are being tested all over the world as the encirclement of the Romans before the decisive attack of 70 BC. Here it is about the whole world, not about a temple and a city. Let us wait for events yet to take place, keep our faith in Jehovah, and wait patiently for our king. The only certainty is that Jehovah's purpose will be fulfilled.

The Watchtower conspiracy against Jehovah

Genco Giuseppe · 24 days ago

Every Jehovah's Witness must understand this, the Bible tells us: the end of a work is better than its beginning (Ecclesiastes 7: 8). Everything depends on the maturity, the sincerity of the reader as well as his perseverance and his desire to understand everything honestly. Such sincerity and perseverance always helps to "mature"

quickly and to learn to distinguish truth from lies at a glance. All knowledge should be verified and analyzed by every sane person and Christian. Every Christian should seek guidance in the example and teachings of Christ, in the scriptures, and act in a Christian conscience and to the best of their understanding. The apostle Paul said simply and clearly: "Let each one continue to act according to his convictions (Romans 4: 5). Why a person can leave a congregation may be much more important to God than the very fact of leaving the congregation. biblical examples: Diotrephes (3 John 9.10 - Acts 20.29,30). There is no one-size-fits-all rule and each situation requires a separate personal decision and thinking. Chapter 34 of the book of Ezekiel, although the words are addressed to the "shepherds of Israel," the described scattering of the "sheep" occurs in the future - during Jehovah's Day and as a result of His wrath against the shepherds (Ezekiel 34: 10-12, Zephaniah 1:15). Take the trouble to read the entire chapter. In Ezekiel 34: 11-13, God himself declares that he will personally and independently seek his sheep during Jehovah's day. Therefore, the sheep's attention should have been directed only to Jehovah, and not to "impractical instructions," nor to the "illogical" and "strategically unjustified" leadership of the organization.

Now that the man opposed to the law has been revealed, just as in the days of the temple of Jerusalem, because of their apostasy, the ancient people of God had been given under the sword of the executor of the will of God - the Babylonian king Nebuchadnezzar, in accordance with the prophecy of Jeremiah, 15.1,2. It is no coincidence that this dreadful warning is found in chapter 13 of the book of Revelation where it is described that a terrible beast of government (prophecy of Daniel, this "beast" is described as the last "king from the north. "It should be noted that he is described as someone who“ does not think of the gods of his fathers ... and does not even respect any deity; for he will exalt himself above all. Daniel 11 : 37). This cunning and fierce king will attack the people of God and will not worship any of the religions that exist today. Chances are, events are brewing that will change the face of this dying world

Here is a topical biblical answer. After the obvious unveiling of the ongoing apostasy at the level of the Christian congregation and to the whole world, by the imposition of the vaccine, it seems correct that the judgment of God begins with his own house (1Pi.4.17). in Ezekiel, this judgment begins "from the sanctuary" (Ezekiel 9: 6). Furthermore, the prophet writes that this judgment affects precisely the "remnant of Israel" (Ezekiel 9: 8), which takes us directly to the period before the coming of Christ. Finally, Ezekiel prophesied about this in Babylon, which also indirectly indicates that his prophecies did not relate to ancient Israel and have not yet come true. Therefore, they refer only to the "time of the end". As you can see, the prophet also confirms that before God's intervention, "Jerusalem" will be filled with the wicked and their iniquities. However, there will also be symbolic "ears of wheat" that mourn anarchy. And of course, the righteous God will not forget such servants, but will lead them to the hour of his vengeance, rewarding their faithfulness; they will be guided by God in time and will be saved. Therefore, don't worry about the members of the

organization, let God take care of it. And He will never let His devotees down, even if they still don't understand something.

May this Robert site be preserved by Jehovah until the last moment. Indeed, horrible and atrocious events are looming before us before the arrival of our king and his sons. (Mic. 4: 5) Consider the example set by the apostles in Jerusalem immediately after the Jesus' death. They knew how much the Jewish religious leaders hated them. Satan knows very well that those days are numbered at the time of the coming out of the shortened tribulation. The scriptures through Daniel foretold us the arrival of this period (Daniel 12.6,7). The agreement of the Kingdom of Jesus Christ will be fulfilled after the death of the rest of the Saints in this final trial (Isaiah 6.10 to 13, 1 King 19.14 to 18, Romans 11.1 to 5). Hello Ian, we are living in a very delicate time and in reality only Jehovah knows when his day will begin, not even his Son, Jesus asked us to discern the scriptures and in particular the book of Daniel which is very related to Revelation. In short, we will have a great tribulation which will be shortened by the speed and the great violence of the current weapons. The scriptures reveal to us that an opposition of the people of the nations represented by a future eighth king against the people of God which will last 42 months (Revelation 11.2,3). After the death of the Saints of the Supreme during this final period will come Armageddon with the kingdom of God on earth as it is in heaven. On this site of our brother Robert, there are a lot of articles to deepen the question you asked me.

Thus, having told the parable of the “wheat and the tares”, Jesus compared himself to a “master of the house”. He also stated that "the tares" are the "wicked" who grow in the midst of the "wheat" until the harvest. Hence at the second coming of Christ, the sealing of the saints will signify their obvious manifestation and will come. after that, the end of the power of the “devil” over this world. The fact that a “lawless man” will “pretend to be God” means that he will pass all of his own messages and actions like God. that he said and did supposedly comes from God, and the fact that "the man of lawlessness" takes the place of God directly implies that he himself becomes an idol to all who recognize his authority. these men are false apostles, individuals who deceive others and disguise themselves as apostles of Christ. And no wonder this, for Satan himself disguises himself as an angel of light all the time. So it is not extraordinary if his servants also disguise themselves all the time as servants of righteousness. they will receive the end they deserve, according to their works. However, God knows His own. Determined to write his law on the hearts of his loyal servants, Jehovah has assuredly hid them from all hold.

The serpent was the most careful of all the wild animals that Jehovah God had made. He asked the woman, "Did God really say that you should not eat fruit from all the trees in the garden?" The woman answered the serpent, "We can eat fruit from the trees in the garden." But regarding the fruit of the tree that is in the middle of the garden, God said, "You must not eat it, no, you must not touch it or you will die." However, the serpent said to the woman: "You absolutely will not die." For God knows that the very day you eat it your eyes will be opened and you will be like God: you will know good and evil. Jehovah God then said to the woman, "What have you done? The woman replied, "The serpent deceived me, and I ate. The wicked are corrupt from birth; they have been rebels, liars since they were born. A reflection on the pandemic used in the world by the "Financial Beast". This financial Beast has achieved through its opposition to Christ a breach since Covid 19, this breach will allow a good part of the world to distance itself from our faith and this powerful evil earthly organization. This powerful financial machine will reach heights never reached since "times past", as the scriptures explain to us with the two-horned ram who later became "the eighth king". The final assault will begin with the withdrawal of the "regular sacrifice" as the scriptures explain to us in Daniel 11:31,36. Armies sent by him will arise; the sanctuary and the fortress will be desecrated, and the regular sacrifice will be taken away. "And the loathsome thing that causes devastation will be put in place. "The king will do what he wants, he will be filled with pride and will rise above all gods; and against the God of gods he will say amazing things. He will be successful in everything until the indignation is over; for what is decided must happen.

Are we really in serious danger of being misled by Satan?

**Genco Giuseppe** · 5 months ago

Satan is a forger who forgeries all that is divine, God has children and the devil has his children. Jehovah has his own seed and so does the devil. The children of God are legitimate, those of Satan are illegitimate. They are *mâtinés*, both literally and figuratively.

The seed of God is Jesus. That of Satan is mentioned in the Bible and bears various titles such as the "man of sin", the "wicked", the "son of perdition", the "Beast" or "False christ". But for obvious reasons, the title that best fits the skin of this individual is that of "Antichrist." The time of his coming is fast approaching. It is therefore high time to take an interest in this individual in order to find out who the world will be dealing with in the very near future.

How long will you judge with injustice?

Genco Giuseppe → **David Love** · 5 months ago

the translation from english to french is confusing at times, hope I understood your comment correctly, David, The problem with the elders of the congregation is that they themselves are not free to think and have to assimilate the material that the council administration imposes on them. Then a loyal JW must think like the elder told you, no more, no less. it's all this difference that I find on this site that makes you become free to think like Jehovah and his son and it makes you grow in faith, love and righteousness. However, David, I appreciate the JWs because without their good will and tenacity, I would never have known the way to love the Father and the Son. another important reason is that we cannot "go further than what the bible reveals" on the other hand the Watchtower made the bible "His way of thinking", in this way they sank into the thick darkness and are separated from the Paole of God, because of their ego, they no longer know how to come back to reality.

His transgression weighs heavily on him; he will fall and never get up again. "A uproar will ring out to the ends of the earth, for Jehovah has a strife with the nations. The earthly organization likes to show off at the expense of their loyal and purposeful followers. Contrary to the command of Jesus Christ, teachers carefully repeat all their preaching speeches, not forgetting to scheming with their legal services to defend them in court. As a result, the Sons are "free" and will abide forever in the Father's house, it will never be sad, dreary or painful. Because it is filled with love that never fails. And the Father's love is the most important thing any earthly servant of God should have understood. This is the quality required so that the door is not closed to the Kingdom of love and eternal life. Quality in every sense of the word. Such blatant watchtower disobedience can be a fulfilled prophecy. Can we call it preaching guided by the Holy Spirit, obviously the answer can only be no. Because for those who do not practice mercy, judgment is without mercy. Mercy triumphs over judgment (James 2:13).

A lying vision and worthless divination

**Genco Giuseppe** · 5 months ago

Let no one deceive you with empty words, for it is for these things that the wrath of God comes upon the children of disobedience. For there will be no more false views or flattering predictions among the people of Israel. Being rebellious is as serious as committing the sin of divination, and being pretentious is as serious as resorting to magical powers or idolatry. Because you have rejected his word, Jehovah is rejecting you and you will no longer be king. So this is what the Sovereign Lord Jehovah says: “Because you have made deceptive statements and your visions are false, I will act against you,” declares the Sovereign Lord Jehovah. Nehemiah said to them, “Go, eat good things and drink sweet drinks, and give portions of food to those who have nothing ready, for this day is holy to our Lord. And do not be sad, for the joy that comes from Jehovah is your stronghold. ". Many will be purified, whitened, and refined. The wicked will do wickedly, and no wicked will understand; but the discerning will understand. And the inhabitants of the earth will rejoice in their death and celebrate, and they will send each other gifts, because these two prophets tormented them. After the three and a half days, life force from God entered them,

and they stood up, and great fear gripped those who saw them. May your kingdom come. May your will be done on earth as it is in heaven.

Worthless gods will disappear forever (Isaiah 2:18). there is no room for the devil. The latter, if it is considered, then as a forced phenomenon, is temporarily authorized by God. In short, we know that from the scriptures when he fell from heaven (Revelation 12:12), the enemy will know that he will only have 3.5 prophetic years or 1260 days left. Therefore, he will be "in a great rage", for it seems that he will no longer be able to repent. For us, according to this verse of the above revelation, the fact is important to know that the adversaries of God have some understanding of prophecy.

Obviously, they understand this, otherwise attempts to kill Christ when he was still young would not have been made. It didn't work with Christ, the next step is the goal of destroying the Saints from above in this final struggle. For this reason, Robert ends his commentary with: "So with the horses of Revelation roaring at the gate, the inevitable outbreak of world war, food shortages, pestilence and great earthquakes, the sun will set on the Watchtower. The diviners will not be able to turn it. The spell will be broken. "Prophet class" will be over ". The appearance of the Horsemen of Revelation in the near future will be the great tribulation cut short before this eighth king to come. For the vision is still for its appointed time, but it is running towards its realization, and it will not lie. Even if she's late, keep waiting! Because it will happen without fail. She won't be late! (Habakkuk 2.3)

Let no one lead you astray, the apostle Paul warns us, and yet the coming of Christ will still be unexpected for the world, it is easy to understand this from the example of the same Jehovah's Witnesses. Many of them have settled comfortably in their religion, believe in their unconditional "organizational salvation", blindly listen to

their teachers, they cannot recognize their lies and believe them without thinking. Acquiring a false opinion, many place their unbiblical thoughts above what is written, thus opposing God and elevating their religion and themselves to the rank of idols. This is idolatry and opposition to what is clearly written will lead to the fact that even during the fulfillment of "Gentile times" many will not understand what is happening (1 Samuel 15:23).

It is very difficult, Brother Carl, to recognize that the great tribulation has already started, we must not fall into the same trap as the Watchtower in the past, but we can assume that the covid event has changed the face of the world. The countries of the Nations are beginning to show their dissatisfaction with the restriction of the rights of human freedoms. The withdrawal of the Romans at the time can be assimilated to our current unstable period, that is to say that the Romans left in August 66 and the people could flee before the attack on the temple in 70 and, we, we have this covid 19 which gradually forces people to be vaccinated and tests us to recognize them as superior to God with the world he wants to create in the future (42 months). The King of the North has already demonstrated his arrogance through the elections but he did not overwhelm the King of the South, they still rule together for the moment. Also brother, Satan is surely not being thrown from heaven, we would already have the war on earth because Satan will be in great rage because he knows that he has very little time left. For Christ is the end of the Law (Moses), so that all who exercise faith may have righteousness "The man who practices these things will live because of them". Beloved Ones, while I was determined to write to you about the salvation that is common to us, I felt it necessary to write to you instead to encourage you to wage a hard fight for the faith which has been transmitted to the Saints one day. once and for all. You too, like living stones, serve to build a spiritual house to be a holy priesthood, in order to offer through Jesus Christ spiritual sacrifices that God can accept. Therefore, holy brethren, participants in the heavenly call, fix your thoughts on the one we recognize as apostle and high priest: Jesus. Yes, if anyone wants to harm them, this is how he must be killed. These two witnesses have the power to shut the sky so that it does not rain during the days that they prophesy, and they have the power to turn the waters into blood and to strike the earth with all kinds of plagues, as often as they are. they want it. When they have finished bearing their testimony, the wild beast that ascends from the bottomless pit will make war against them, overcome them and kill them, And their corpses will be in the main street of the great city which is called in a spiritual sense Sodom and Egypt, where their Lord also was tied to the stake. Unlike the worldwide teaching of Christendom, the teaching of Jesus shifted the primary emphasis not to commandment, but to absolute trust in our Heavenly Father and selfless love for God and neighbor (Matthew 22 : 36-40). The meaning of worshiping those who keep his teachings was not the thoughtless fulfillment of many laws and rules, but the personal knowledge of a loving God and the improvement of his personality in his image and likeness (see John 17: 3).

First, the main goal of Old Testament worship was our anointed King, Jesus Christ (Mark 15: 37-39). Concretely the second objective is to raise a people of saints who will have to reign with Christ. Christ come, has this goal been achieved? Of course not. As a result, the old system of worship tragically came to an end, then in the New Testament era Christianity began with the spread of the holy spirit on the day of Pentecost. Honestly, can we say that the Watchtower has achieved the main objective of gathering all the elect of the Most High in his earthly organization and that they already have pure worship, that they have recognized the mark of the beast since 1922, that they have not had any immoral sexual behavior (UN - Pedophilia - Sale of congregations), that they recognize that the resurrection of the elect has already taken place and that they do not know how to determine how many Saints will be present during the 42 month of the disgusting thing set up in the holy place (2 Peter 2.1). Let us remain objective, just as in the days of the end of the old Jewish system, when the anointed king, Jesus, will appear, so before the end of this world, the saints of the Most High must appear. These saints will deliver the final Kingdom preaching message. This will be the final worldwide preaching of this Christian system.

An obvious similarity to the Watchtower, Gamaliel had correctly predicted: Therefore, under the present circumstances, I say to you: Do not worry about these men; leave them. For if this enterprise or this work comes from men, it will be overthrown; One comes to wonder how much longer God will hold back from carrying out his threat to vomit this Laodician thing out of his mouth (Revelation 3.16.17). In the house of those who love him, Christ still receives wounds And if someone asks them: "What are these wounds between your shoulders?", They will answer: "These are wounds that were done to me in the house of my friends (Zechariah 13.6). Would this then be swan song for this organization?

We can compare them to "Shepherds". Here is what the Sovereign Lord Jehovah says: "I will take action against the shepherds and hold them to account for their treatment of my sheep. I will no longer ask them to feed my sheep, and these shepherds will no longer be able to feed themselves. Where did we come from?

The debate over human origins has intensified, hitting the mainstream media like a tsunami. The debate is really about God and whether or not our origins are explainable without him.

Atheists like Richard Dawkins are trying to prove that science and belief in God are incompatible. But are they right? <https://www.y-origins.com/i...>

In his book "To End God": In a frontal attack on religion and the barbarism it engenders, Richard Dawkins denounces "the illusion of God". He believes that the hypothesis of God should be analyzed with the same rational tools and the same skepticism as any other. He therefore endeavors to demonstrate the "extremely low probability of its existence". But you must not eat fruit from the tree of the knowledge of good and evil. Because the day you eat it, you will surely die. "For God knows that the very day you eat of it your eyes will be opened and you will be like God: you will know good and evil. But solid food is for mature people, for those whose powers of discernment are exercised, through use, to distinguish between good and evil. He made everything beautiful at the right time. He even put eternity in the hearts of humans; yet they will never discover the work of the true God from start to finish. The thoughts of the human heart are like deep waters, but the discerning person raises them to the surface. And this is the testimony: God has given us eternal life, and this life is in his Son. What will be your choice ?

Virtually all of the activities of true disciples of Christ and worshipers of Jehovah are devoted to witnessing work. The word of God asks us to control and verify all things and especially to retain only what is excellent. Give those who fear you a signal to flee and dodge the arrows, this Psalm deserves special attention, the Watchtower should think about it. Clearly, the 1914 illusion will do devastating damage. Returning to the present day, the possibility of war is inevitable. The King of the North and the South who have shared world power for this past millennium is coming to an end and iron will definitely take over the clay feet. The coming to power of the Eighth King (King of the North) will change the Face of this world, the remaining seven thousand faithful will act in love, strength, power, honor, wisdom, glory and blessings will set us free. of this last king.

Their fear of me is based on commands of men

Genco Giuseppe · 6 months ago

Of course, you have heard of my old conduct in Judaism how intensely I persecuted and devastated the assembly of God (Galatians 1.13). Christ can inspire any Christian to become for a period of time the person who will help his neighbors draw near to God by providing timely “food” from the Bible. And it will be a manifestation of the Spirit, not of a person. We can in no way know who, where and when he decides on such a role. Yes, we don't need to know that, otherwise we will become admirers of people, or more precisely, we will become idolaters. The only thing we can and must do is carefully check what we have heard from the Bible: is it from God ?. Honestly, I sincerely hope that every Christian will regard only Jehovah and his son as his supreme authority and seek the most valuable spiritual “food” in the Word of his unmatched wisdom in the Bible. Thus, through the spirit, one receives a word of

wisdom; according to this same spirit, another receives a word of knowledge (1 Corinthians 12.8).

The United Nations and Babylon the Great

Genco Giuseppe · 6 months ago

So you have no excuse, man, whoever you are, if you judge. Because when you judge someone, you condemn yourself, since you who judge, you practice the same things. So get rid of all wickedness, deception, hypocrisy, envy and all backbiting. So repent of your wickedness and plead with Jehovah to forgive you, if possible, for this evil intention. For all nations and kingdoms that will not serve you will perish; these nations will be utterly devastated. There is a fixed time for everything, a time for all activity under heaven: Here you have fallen from heaven, you, shining star, son of the dawn! Here you are brought down to the earth, you who had conquered the nations! But you will be taken straight down into the Tomb, into the most remote parts of the pit. Is this the man who made the earth shake, who made kingdoms tremble, who made the inhabited earth like a desert, who overthrew his cities, and who did not let his prisoners return home? "I will rise up against them," declares Jehovah of armies." And I will blot out Babylon's name and remainder, lineage and offspring "Jehovah of armies swore:" As I have planned, so it happens as I have decided. , it will happen.

No war can stop the blessings that God has designed for all mankind. The most important and salutary events will begin immediately with the genocide of the Great Tribulation cut short and may the salvos of this bloody carnage be a thing of the past forever. We can better understand the fear of Daniel, at the time of the vision of this Great War. In the coming "time of the end", for the first time since the days of the apostles, Jehovah will once again seal true "saints" of his people (Rev. 7:14) and give them extraordinary strength and message. (Revelation 11: 3-6). And to every obedient Christian, every pure and honest pagan heart, this message will bring not only real hope, but an eternally bright future (Matthew 25: 40-46). Judgment of Jehovah's day will begin (Matthew 25: 40-46). Jehovah will restore that which is futile under the sun (Ecclesiastes 8: 11-14).

The Masters of "Jehovah's Servants"

**Genco Giuseppe** · 6 months ago

A deepening on the Kingdom Covenant, David, However, you are the ones who have steadfastly stayed with me in my trials. And I make a covenant with you for a kingdom, just as my Father made a covenant with me, that you eat and drink at my table in my kingdom, and sit on thrones to judge the 12 tribes of Israel (Luke 22.28-30). The NT made it possible to provide an "Israel of God" but regarding the "Great Crowd" as the 7th chapter of Revelation shows, the 144,000 are the "elect" of this nation, and not of the entire nation. . And chapter 14 of Revelation already shows them in royal power and in the position of priests. That the "great crowd" is part of God's people is evident from the fact that they give glory to God and to the Lamb. Thus, it is revealed that these people are simultaneously members of the New Testament and the Kingdom Covenant (Large Crowd). And although all of these people consist of a "great crowd" and 144,000 members of the royal priesthood, only these are in the Kingdom Covenant. , I think this is the correct perception of the gospels.

David, I have not meditated enough on what I have just written to you and I realize that I have misled you, it is obvious that it is not the Big crowd that Jesus negotiated the covenant, but with its "holy people" which began with the apostles at Pentecost. Sorry, I'm trying to answer my best.

After the shortened tribulation and the 42 months of Gentile times (Rev 11.2), the intermediary between Jehovah and the great multitude is our king Jesus (Galatians 3: 19,20; 1 Timothy 2: 5). So in the New Testament there were two parties - God (1) and His people (2) - who negotiated through Jesus' mediation. for our king already had the law in his heart (Psalm 40: 7-9, Psalm 37:31, Hebrews 10: 5-10,). As a result, the Watchtower and all other religions will no longer exist. David, this is how the New Testament and the fulfillment of the Kingdom covenant ends.

When I was told the "good news" my brothers did everything to let me know the "Truth", of course being a steadfast believer of a creator "God unknown" as it is written in the scriptures, I started with them with the illusion of 1914. Despite all my evidence, they listened to me and closed their eyes and ears. thereafter I fell ill and undertook research, but this time it was spiritual, and we continued to debate the scriptures and ultimately the result was the same as the 1914 illusion. Thanks to Robert's site and all the commentators I thank with all my heart, my faith continues to grow and I hope to have the opportunity to discuss Jehovah's word again and again and again with all those who are interested in the message of the gospels

announced by Jesus and the apostles. David, it is almost impossible to destroy the idol of the Watchtower society, the only solution is to know Jehovah and his son, to think like Jehovah and his son, to know Jehovah's love, faithfulness and righteousness and his son.

The devil is doing everything to prevent the emergence and strengthening of the "sons of the Kingdom" as competitors for power since he took hold of this world (John 8:44). There is no doubt that the full number of Saints (144,000) will never include those who willfully and stubbornly disseminate false interpretations of the prophecies, attributing to the opportunistic human fabrications of the Almighty (Rev. 14.1 to 5). Only true servants of God and people of honest, selfless hearts can recognize those who are moved by the Spirit. The rest - can not, as it is written: (1 John 4.5,6). It is evident that the death of the Saints will bring to this earth eternal peace (Ezekiel 37.26), everlasting love (Ps.118.1) and everlasting righteousness (Ps.111.3). You, however, remain attached to the things you have learned and have been convinced of, knowing from whom you have learned them. (2 Timothy 3: 13-17)

Even the spiritual temple itself shows that on the eve of the "time of the end", the Christian congregation of the "saints" will be invaded by "the tares" by a lawless man who will suffocate the righteous seedlings by preaching in subject of the false parousia of Christ. all this for things doomed to perish by their very use! These are the

prescriptions and doctrines of men! (Colossians 2.22 B. Jerusalem). In fact, he will act among the people of God through the hands of apostates with whom he has an "agreement", that is, a real conspiracy, probably written in secret by the faithful. It is one more confirmation than to act with someone else's hands, with the help of secret intrigue and conspiracies, an ingrained mode of action, that is to say. he does it all the time.

God's Word for Us Through Jeremiah

**Genco Giuseppe** → **David Love** · 6 months ago

Jehovah addressed this message to Jeremiah: Jeremiah 28.12-17. Proof that history is repeating itself and coming true, no matter how many years past, only Jehovah will determine the start of his day of wrath. As Luke 21.24 and Revelation 11.3 explains will be the time of "Gentiles or nations". Just like Hananiah at the time, the Watchtower will be cleansed of all these wicked slaves as well as all the people of the world, and Jeremiah's covenant explained in Jeremiah 31.31-34 will be fulfilled. For it is indeed a reproach which he makes against the people when they say: "Listen!" Declares Jehovah. The day will come when I will make a new covenant with the people of Israel and with the people of Judah.

As in the days of Jeremiah, Habakkuk and Daniel subsequently prophesied in Jehovah's name to warn God's people of the danger to come and despite everything they did not listen to the word of God, the priests of God were the laughing stock and mockery of the people of that time, some were imprisoned as predicted by the gospels in the future. There are nowadays reasons to believe that candidates for true "saints" are in the process of being prepared now - to become apparent in the "end time, of the nations, or of the Gentiles." In our turn, the word of God is proclaimed to us in the near future, so it is up to us to check all things, to consolidate our faith, to open our hearts, to improve our thoughts in Jehovah and Christ and above all to remain faithful to the end to attain all kinds of blessings guaranteed by Jehovah and his son.

Is it persecution or punishment?

**Genco Giuseppe** · 6 months ago

This completes my comment of the day before: And he said to them: "The harvest is great, but the workers are not many. Pray therefore to the Lord of the harvest to send laborers into his harvest (Luke 10.2). Do God's people exist today? We have good reason to believe that candidates for true "saints" are being prepared now and will become apparent and effective at the "end time or gentiles - 42 months", if that comes in our lifetime (Rev. .11.3). The main thought that resonates in Peter's words is that Peter calls his fellow believers "holy people", addressing them Jehovah's call to holiness (1Peter 2: 9). Therefore, the "saints" of the Christian congregation are the "kingdom of priests" or the spiritual people of God, who in the first century were represented by the disciples of Christ anointed with the Holy Spirit, and in the "time of the end" will be represented by those sealed with the names of Christ and Jehovah (Rev. 14.1 to 5). And when the chief shepherd is manifested, you will receive the crown of glory, which cannot wither away (1 Peter 5.4). Either way, Jesus and the Saints of God will bring eternal peace, everlasting love, and everlasting justice to this troubled planet.

**Genco Giuseppe** · 6 months ago

From the article "Did Jehovah Permit the Harvest to Be Lost Therein" In fact, the Society leads its own "harvest" and determines who is the "wheat" to it and who is "the tares" . by acknowledging the simultaneous manifestation of "wheat" and "bale" in their organization, the Watchtower practically confirms that the true "harvest" has not yet begun. As a result, the past century too. But then the "wheat" is not yet ripe, and it is impossible to define the people of God. However, the premature manifestation of the people of God is beneficial, first of all, to the adversaries of God. Understand this: the "son of perdition and his reprobate angels" will do whatever is necessary not to cede their power to the Kingdom of God. Consider what King Herod did when he learned of the birth of the future king of Israel. He did everything to kill him. Why? Because Herod ruled over the Israelites, being neither an Israelite nor a Jew. In fact, he was a king outside righteousness and outside the law, including outside the law of Moses. By analogy with "the tares" he was a wicked or "lawless" king. Naturally, he didn't want his offspring to lose power and did everything to kill little Jesus.

They speak to each other falsely; they speak with flattering lips, with double hearts. Jehovah declares, "I will attack the prophets who prophesy false dreams, who tell them, and who lead my people astray with their lies and their boasting. "However, I did not send them, I did not order them anything. They will therefore bring nothing good to this people, "says Jehovah.

Our Creator has been patient with the world from Genesis to the present day. We know from the scriptures what happens when the "Christian purpose" is not achieved by mankind. Knowing us, Jehovah, for his part, prepared the divine solution so that we could know him and his righteousness, all of this did not happen overnight. By his patience and his infinite love for these creatures, his divine solution took time for the harvest of "excellent fruits" beginning by employing his prophets and then his son and his apostles to begin the "Christian goal". His "excellent fruits" are slowly coming to an end and he waits for the opportune moment to purify the sky of the "unfaithful gardener and his acolytes". In this way, it will only remain to purify the earth and the Kingdom of God will be "on earth as it is in heaven". On his seventh day, Jehovah, will take his deserved rest, his son and his followers will achieve "the Christian purpose." After his deserved rest, he will release the accuser of our brothers to complete his work and finally accomplish his plan. There will be Christian persecutions, there will be a legitimate punishment but above all there will be the fulfillment of Genesis (Genesis 3:15).

Radio silence

Genco Giuseppe · 6 months ago

Despite the persistent "radio silence" of the Watchtower and all congregations, we will never be abandoned: For this is what the Sovereign Lord Jehovah says: voici Here I am! I myself will go in search of my sheep and take care of them. There are many people who seek God, no longer to adhere to religions because of the many errors of the latter. There are also many "puzzled sheep" who, due to certain circumstances, have found themselves outside the congregations, without spiritual direction and without the care of their religious shepherds (Ezekiel 34 ch.), But, despite this, they seek God, their integrity, and strive to follow the counsel of the scriptures "the heavenly, not the earthy." The situation is rather complicated, but if the great tribulation cut short is brewing and the "end time" is already at the threshold, it will be too presumptuous to say that none of these people can be a member of God's true people at all. . keep their integrity and strive for "things above, and not for the earthly" Colossians 3.2. We absolutely must trust and pray for our "repentance" in Jehovah and his son in this dark time that is before our doors.

This tenth chapter of Daniel tears our hearts apart before it even happens. it becomes clear why the vision of the "great war" or "great tribulation" frightened the prophet Daniel so much that he mourned for three weeks and lost his very joy in eating. Although he did not describe what he saw, it is clear that the content of the vision could not contradict that described by another prophet (Joel 2:30,31). The horror that possessed Daniel at the sight of incredible fires, blood, and huge palm-shaped pillars of smoke was meant to serve as a dreadful warning not only to faithful Christians, but to all mankind. This is why, as Jesus predicted, "for the sake of the elect these days will be shortened." Such events will become truly unexpected for many Christians. The harsh reality of what is happening will be a real stumbling block for many. Love Jehovah, all of you who are loyal to him! Jehovah protect the faithful, Be courageous, and let your heart be strong, all of you who wait for Jehovah! (Psalms 31.23,24)

Jehovah told me again: "This is a lie that the prophets prophesy in my name. I didn't send them, I didn't order them, I didn't talk to them. False vision, divination, worthless thing, cunning of their hearts, this is what they tell you prophetically. Put on the full armor of God so that you can resist the Devil's tricks; The fear of Jehovah prolongs life, while the years of the wicked will be cut short. Pride in the heart of man leads him to disaster, humility leads him to glory. As for you, turn of the flock, height of the daughter of Zion, to you will return the first domination, yes, it will return, the

kingship belonging to the daughter of Jerusalem. That's why I'm going to bring you down using the prophets; I will kill you with the words of my mouth. And the judgments pronounced against you will shine like the light.

* Jesus did not enter his Kingdom in 1914. The invisible presence did not begin then. In fact, there is no invisible parousia (article of the day) *. Does the Bible teach about the invisible heavenly reign of Jesus Christ long before His coming. In two Bible verses, we will erase over a hundred years of lies predicted by Watchtower society. 1. "Jerusalem will be trampled underfoot by the Gentiles until the times of the Gentiles are over." (Luke 21:24). 2. "But the court which is outside the temple-sanctuary, leave it aside and do not measure it, because it has been given to the nations, and they will trample on the holy city for 42 months (Rev.11.2) ". So what is "the time of the Gentiles" or "the time of the nations"? . Jesus' words show that this short period precedes his visible coming (Luke 21: 24-27, Revelation 11: 1-3,15-18). Indeed, as the Bible shows, the fulfillment of Revelation is the moment of sudden deliverance of all the righteous of different nations, regardless of their race, religion and nationality (Matthew 25: 31-46).

THE DAYS ARE NEAR AND EVERY VISION WILL TAKE PLACE

Genco Giuseppe · 7 months ago

The Kingdom of God is above all the authority of Christ in the heavens and this happens when Satan is thrown to earth. "So rejoice, heaven and you who dwell there!. But woe to you, land and sea, because the Devil has come down to you in great fury, knowing that he has little time left (Rev.12.10 to 12) We know that the main purpose of earthly Christianity was to prepare the "holy people," the anointed priests and kings of the future Kingdom of God. In Revelation 14: 1-5, they are described as those who follow Jesus in everything place. No lies were found in their mouths; they are blameless. The impending collapse of Christianity and civilization is inevitable, it appears that "judgment shall begin at the House of God" (1 Peter 4:17, Jeremiah 25: 15-18,29) Christianity served the purpose of preparing a "holy people, zealous for good works"? (Titus 2:14) Further, the prophetic sequence clearly shows that the sealing of the elect and of the saints has not yet taken place (Revelation 7: 1-4). he people of God were placed under the sword of the doer of the will of God, the Babylonian king Nebuchadnezzar. It is no coincidence that this terrible warning is reproduced in chapter 13 of the book of Revelation. So here we are warned.

The New Green Deal and London's Global Genocide

**Genco Giuseppe** · 7 months ago

Because we are living in a very difficult time, in incredible tension, where everyone needs the right answers and help. But many Christians who have regained their sight are still distracted by side things. It doesn't matter who or by whom will be in the Kingdom of God. You have to change the way you think first to get there. Therefore, even though God has revealed inspiring truths to a person, that is no reason to regard you as anything more than he really is. Even though God gives you the Spirit to do His will, remember that those who listen to you must know God, not you. As Christ said: Likewise, when you have done all that is asked of you, say: "We are only slaves, we do not deserve anything. We only did what we had to do (Luke 17:10)

In itself, Paul's prophecy is impenetrable. It does not say who 'they' are who will say 'peace and security.' Neither does one see what 'sudden destruction' entails. 'acts of a man-made event, such as war or divine destruction - Armageddon "(article August 4, 2020). He will bring destruction on the strongman, he will bring destruction on the fortresses. Amos 5.9 How sudden is their annihilation! What a sudden and terrible end they are approaching. Psalm 73.19. And on that day, I will not fail to wipe out all the nations that have come to attack Jerusalem. Zechariah 12.9. They will suffer eternal destruction as punishment, and they will perish from before the Lord and from his glorious strength. 2 Thessalonians 1.9. It seems obvious to me that the "sudden destruction or annihilation" will take place for the last time at the death of the Saints, towards the end of the 42 months, just before the final intervention of Christ hence the "Joy of the Nations" in the verse 11.10 of the revelation, for his remaining people at that time did not know Jehovah. In addition, the words "peace and security" are found together seven times in 8 Bible verses of the Old Testament describing an acquired peace and security. Psalm 4.8, (2 Kings 20.19, Isaiah 39. 8), Job 12.6, Ezekiel 34.25, Psalms 122.7. Isaiah 32.17. Jeremiah 49.21. In this way we understand the words of Jeremiah when he tells us: "There is peace! There is peace!", While there is no peace. Peace and security will really be achieved in the beginning of the thousand years of the reign of our King Jesus The most important thing is to remain faithful to Jehovah and his son, Kevin, have a nice day.

Two very interesting articles on the subject of "peace and security" Thank you Kevin, good evening.

2 ↑ ↓ ViewView in discussion

Genco Giuseppe · 7 months ago

One question Robert, please don't stone me. "For you yourselves know very well that the day of Jehovah is coming just like a thief in the night. When they say, 'Peace and security!' Then sudden destruction will be upon them right now, like the labor pains on a pregnant woman; and they absolutely will not be able to escape it (Thessalonians 5, 2, 3)". According to Paul, immediately after the declaration of "peace and security" they must "come to destruction" (2 Thess. 1: 9). It will be evident that the death of the "witnesses" at the hands of the "beast" will bring joy to the living at this time, towards the end of the 42 months, not only after the death of the saints, but also immediately after the destruction of Babylon the Great and immediately before the coming of Jesus. But since the sudden coming of Christ ("like a thief in the night") will make this statement false, it is clear that it will be a false prophecy, which until the time of the event seemed true to all remaining people who did not know God. In this way the realization of "peace and security" will begin at the beginning of the thousand years. This thought seems reasonable to me considering the number of times we have presumed the fulfillment of this prophecy. Furthermore, we do not know how to guide our steps without Jehovah's help and this is also the reason why we will have his law written in our hearts. What do you think, true, false or explanations.

And my God will supply all your needs according to his riches, with glory, in Christ Jesus. At that time, there was a great earthquake, and a tenth of the city collapsed; and 7,000 people were killed by the earthquake, and the rest were seized with fear and gave glory to the God of heaven. And I heard how a man clothed in linen, who was above the waters of the river, raising his right and left hand to the sky, swore to the living eternal that at the end of time and time and a half, and after the complete overthrow of the power of the holy people, all this would be accomplished. And in heaven the temple-sanctuary of God was opened, and in his temple-sanctuary the ark of his covenant was seen. And there was lightning, and voices, and thunders, and an earthquake, and great hail. The seventh angel sounded the trumpet. And there were loud voices in heaven saying, "The kingdom of the world has become the kingdom of our Lord and of his Christ, and he will reign forever."

The Creator made it clear his will for mankind: people were to multiply and settle all over the planet (Genesis 9: 1), his goal is surely almost achieved. The main motive of the modern oligarchy is the desire to get involved in something no less as great as the Creator himself, to become, so to speak, on a par with God, creating a name equal to the celestial. . (he worships Lucifer, the Devil) In addition, another reason for the existence of the modern world was stated by the apostle Paul (Acts 17:24:30). As a result, this government will come from the blasphemous "little horn", and inherit its most disgusting qualities: pride, arrogance, blasphemy, extraordinary cunning, scandalous cruelty and exorbitant ambition. It is not at all surprising that he will require worship of "himself" on earth. During this time, the true message of peace will resound only through the rest of the Saints and that no one misses the message of God through the word of his Saints. Christ's message will always be relevant. Pay attention.....

When wisdom enters your heart and knowledge becomes pleasing to your soul, the capacity for reflection will watch over you and discernment will preserve you. A naive person believes everything that is said, but the prudent man watches his every step. Unlike secular instruction, spiritual instruction based on the Bible enables us to know God and have eternal life (John 17.3).

Indeed, you will drink my cup. But it's not for me to decide who will sit on my right and on my left. These places belong to those for whom my Father has prepared them (Matthew 20:23). The New Green Deal and London's Global Genocide

**Genco Giuseppe** · 7 months ago

Without a doubt, the completion of the events of this genocide will only become inevitable when the conditions for its commencement specified in the Bible are met. Fortunately or unfortunately, today it is quite possible to say that compliance with these conditions is closer than ever. It will take the end of the independent power of Nation States and the emergence of a single center of this power, presented in the book of Revelation as a "beast with seven heads". This "beast" is declared a universal idol, called to replace God. At the time of his appearance, the modern time and

conditions set aside for mankind by the Creator for the knowledge of his personality will come to an end (Acts 17: 24-30).

Many of their terms only obscure the real message of the Kingdom: New world, spiritual paradise, spiritual ark of salvation, organization of God, true religion, etc. . All of these terms are part of the “spiritual food” that is given to Jehovah's Witnesses by the elders of their organization. Our brothers T.J. will one day be able to say to Christ something similar to the words of Adam: “The faithful and discreet slave that you gave, he gave us this spiritual food and therefore we ate. Hello Burt, I think we are all different and we all have our flaws, characteristics, and issues, that's the amazing thing about having a creator who will judge us individually, we are billions of creatures right now not counting those who have already lived for centuries and millennia and who await their judgment. How can one still doubt his love, his fidelity, his power, his glory, his honor, his wealth and his wisdom. Jehovah understands you better than anyone. "A man sees what appears to the eyes, the Bible reminds us, but Jehovah sees what the heart is worth" (1 Samuel 16: 7). God knows how you function - how your heredity, your upbringing, your surroundings, your qualities and your faults make you who you are. He sees the person you strive to be and values your efforts, even if you make mistakes.

In short, the apocalyptic "number 666" is the sign of idolaters. You must not bow down to them or allow yourself to be drawn into serving them, for I, Jehovah your God, am a God who demands undivided attachment, who brings the punishment for the fault of the fathers on the sons, on the third generation and on the fourth generation of those who hate me. The biblical number six is directly related to idolaters (Daniel 3,1-11. Revelation 13.14 - 18) and that in their inner essence, the idolaters described in the Bible are either the murderers of the servants of the true God, or the accomplices of these murderers. Let him who is unjust endure in injustice, and let him who is dirty endure in filth; but may the righteous persevere in righteousness, and the saint may persevere in holiness.

It is true that all Christian organizations have only one goal, that is to say, to attract as many people as possible to the organization to which they belong, which is completely contrary to the preaching of Jesus on earth. (acts 20.30). Many will adopt the unworthy and brazen conduct that the apostle Peter denounces in his second letter. Jesus in (Matthew 25.31-46) explains to us the judgment of the sheep and the goats. And although it is written that in the end nothing unclean will enter the Kingdom of God, and people who have been betrayed by abomination and lies, it is evident that the "examination" that Christ will submit to the peoples of the nations of the earth, gives a reliable chance of purification and salvation to every honest person who has not lost his human face and the qualities set by God. In this regard, I want everyone to remain, above all, a person: to do good to others and not to ignore acts of mercy and the good motivations of their heart.

Genco Giuseppe · 8 months ago

the apostle Peter in his second letter announces the raising of the morning star: And in addition, we have the most faithful prophetic word; and you do well to turn to him like a lamp shining in a dark place, until the day dawns and the morning star rises in your hearts, rising of the morning stars knowing first, that no scripture prophecy can be solved on your own. For the prophecy was never pronounced according to the will of man, but the holy men of God spoke it, animated by the Holy Spirit. (2 Peter 1: 19-

21). It is not at all surprising that the meaning of the term "morning star" is written precisely in the prophetic book - in the book of Revelation: I, Jesus, have sent My Angel to witness this to you in churches. I am the root and the offspring of David, the bright morning star "(Revelation 22:16). At this time the righteous will shine with the same brightness as the vault of heaven, and those who bring the multitude to righteousness will shine as the stars forever. Daniel 12.3

When faced with those who try to feed you "spiritual food" of earthly origin, do not buy their resounding names and phrases, but check carefully whether what is offered to you matches the Bible. But solid food is for mature people, for those whose powers of discernment are exercised, through use, to distinguish between good and evil. (Hebrews 5:14). Now we too have this spirit of faith of which it is written: "I have exercised faith, therefore I have spoken"; therefore, we exercise faith, which is why we speak, (2 Corinthians 4:13). Calling every reader to constantly delve into the Bible, I sincerely hope that every Christian will regard only Jehovah as his supreme authority and will seek the most valuable spiritual "food" in the Word of his unmatched wisdom - in the Bible .

Knowing how little time he has left, it is important to understand that the action of the antagonist has an ultimate goal. Do everything so that at the “time of the end”, the world does not recognize the emerging sons of the Kingdom. In fact, this is what most human teachings on "modern saints" serve. The truth is that apart from the first century "saints", the remainder of the latter "saints" will only fully manifest in the final "end time" system. However, before you were in darkness, but now you are light as far as the Lord Jesus is concerned, you are the people of God. Jehovah is Coming from Far Away

**Genco Giuseppe** · 8 months ago

This is a part of the deep inconsistencies announced by the WT which represents the people of Jehovah. The main purpose of earthly Christianity is to prepare the "holy people", the anointed priests and the kings of the future Kingdom of God. In Revelation 14: 1-5, they are described as those who follow Jesus “wherever he goes. No lie was found in their mouths; they are blameless and a people zealous for these works (Titus 2:14). So ask yourself this question Did the Watchtower achieve this goal? . Can they claim that pure worship has been performed with an invisible presence since 1919 (<https://wol.jw.org/en/wol/d...> Paragraph12). We can therefore better understand the holy place which will be devastated for 42 months (Revelation 11.2-4) as well as the lie of the resurrection (2 Tim.2.15-18) of the elect which has not

yet been carried out (paragraph 13 of the same article) and the many verses and in particular in the Gospel of John announcing the resurrection on the last day.

"What is 'the mountain of Jehovah'? It symbolizes the Kingdom of God." If human society is corrupt, how can they claim that the kingdom of God currently exists (spiritual paradise). In this case, a government without corruption cannot come from human society. Lift up your eyes to the sky and see, who created these things? He's the one who brings them out like an army, each of them by their number; he calls them all by their name. Because of his colossal lively energy and impressive strength, not one is missing. For there is no righteous man on earth who always does good and never sins. The permanent, stable character of the Kingdom of God removes the risk of electoral fraud (Daniel 7:13, 14). Its leader is appointed by God. The laws of the Kingdom of God are infinitely superior to those of men. Anyone can learn to live up to these high moral standards, as the early Christians proved.

I think you are right brother Ken, my personal thought is that we are waiting like in the days when the Romans waited to destroy the temple and at some appointed time the temple fell. At the same time the Watchtower continues preaching as our site at some point the holy place will be destroyed during the 42 months of the time of the (gentile) nations, the filthy thing will be in place. the tribulation will be cut short because at this time it can be accomplished quite quickly, then the test will come into effect for the inhabitants of the earth. We must not forget that this way of preaching has been in progress for a year, it may still last a while and then the great tribulation will be set in motion.

our way to Jehovah and he guided us, we can thank him. So let us make sure that we love our neighbor as Jesus his son taught us.

Does God really approve of the Watchtower?

Genco Giuseppe → **Ken Muldoon55** · 8 months ago

Dear brother, we are talking about the spiritual slavery that the Watchtower society operates the organization for their own personal needs. In fact, Jehovah hates all of this and instead it is the spiritual freedom in Christ that must be accepted.

Genco Giuseppe · 8 months ago

How our brothers lost spiritual freedom. The apostle Paul, predicting the appearance of “terrible wolves” in the congregation: I know that after my departure tyrannical wolves will come into you and will not treat the flock with tenderness (Acts 20:29). This is why the false shepherds keep the sheep in a kind of spiritual "cage": Many will adopt their unworthy and shameless behavior, and because of them the way of truth will be spoken of badly (2 Peter 2: 2). The spiritual “cage” created by false teachers (Watchtower) consists of “inflated chatter”: false teachings, false prophecies, and an endless stream of instructions that turn into rules to be followed. This is understandable, because this is how false shepherds seem more important: They promise them freedom, while they themselves are slaves of corruption: For he who is defeated by someone is his slave (2 Peter 2.19).

Hello Burt, I have read your two comments (Brother Ken and Brother Ronb60), they are excellent as usual, these are really all the questions we ask ourselves and we don't really know the answers and our wait continues to lie down. As I read Isaiah 33, I have taken these two passages to encourage us Burt: He keeps your life stable; His abundance of salvation, wisdom, knowledge and fear of Jehovah is his treasure. No inhabitant will say: "I am sick" The people who live in the country will be forgiven for their fault. May the Lord continue to guide your hearts to love for God and endurance for Christ!

To be approved of God, one must refrain from lying, be holy, blameless, overcome and keep the works of Christ until the end. (Revelation 2:26, Hebrews 3: 6, 14, 6:11). The bible clearly shows that this number will only include those in whose lips there is no deceit, as well as those who are completely obedient to Jesus Christ and have clearly defined in the scriptures the beliefs associated with the Names of Jehovah. and Jesus Christ. The apostle Peter, who also called them "royal priesthood" and "holy people" (1 Peter 2: 9). Once you were not a people, but now you are the people of God; you were not once shown mercy, but now you have obtained mercy. There is no doubt that this number will never include those who willfully and stubbornly disseminate false interpretations of the prophecies. The Watchtower can honestly recommend itself of its essential qualities to be truly approved by Jehovah.

It kept throwing truth to the earth

Genco Giuseppe → **Carl** · 8 months ago

Hi Bro.Carl, what to do on this great site. Above all, it is not to impose one's thought or reasoning because no one but Jehovah knows the truth. We must therefore respect the opinion of the other. Satan is the ruler of this world, and his purpose is always to divide and destroy Jehovah's creation, no matter how. We must not forget that it will be definitively destroyed after the thousand years of chaining in the abyss. Jehovah knows how weak the human being is compared to the slanderer, this is the reason why we will have the thousand years to know Jehovah whether it is the earthly or the celestial, hence the insistence of the prophets and Ezekiel in peculiar to know Jehovah. The closer we get to the tribulation and the more difficult it will be, the devil will exploit every opportunity to pervert humans. The darkness is going to get deeper and deeper, let us pray to our Creator God and His Son Jesus Christ our Savior to help us overcome all our difficulties to come.

2 ↑ ↓ ViewView in discussion

Genco Giuseppe · 8 months ago

Thanks to their strategy of the climate situation and the great reset, the admirers of Satan have a huge genocide to submit to us, we can be sure that they will succeed, the scriptures tell us. This demonic elite will then come face to face with the hour of testing against our King Jesus and our elected brethren, so we are awaiting (in the grave or on earth) an extraordinary and unique event in the history of our civilization. However, you are the ones who have been with me constantly in my trials. And I make a covenant with you for a kingdom, just as my Father made a covenant with me, that you eat and drink at my table in my kingdom, and sit on thrones to judge the 12 tribes of Israel.

The Tempter is represented in the scriptures as a person, but in reality our struggle is not against flesh and blood, but against governments, against authorities, against the world masters of this darkness, against the evil spiritual forces in the heavenly places. The Devil sees to it that his will is accomplished by using false signs, deceptions and corrupt people who totally ignore our creator. He disguises himself all the time as an angel of light. We have suffered the repercussions of this foolish choice since the genesis. But God is by no means the source of our suffering. The hour is approaching, let us wait patiently for the time appointed by Jehovah, his son and the saints who will complete the purpose of God. Whoever attests to these things says: "Yes, I am

coming quickly" "

"Amen! Come, Lord Jesus. "

May the undeserved kindness of the Lord Jesus be with the saints.

Does God really approve of the Watchtower?

Genco Giuseppe · 8 months ago

Are they ashamed of the horrible things they have done? No, no shame. They don't even know what shame is. How can you say, we have the wisdom and law of Jehovah. Because in reality we have the scribe's stylus with his deceptions. It's not as if being "in the truth" for a while is enough. We need to do all we can to change our inner selves. There are a number of basic steps that will help us make this change. Prayer is one of the stages (And I will give them a unified heart and I will put in them a new spirit; And I will take the stony heart out of their body and give them a heart of flesh). We must meditate on the scriptures, reflect on the thoughts and feelings that we need to change. (Let the words of my mouth and the meditation of my heart. Be pleasing to you, O Jehovah, my Rock and my Redeemer). The coming government will complete our spiritual education. (And let us take care of one another to inspire love and fine works; do not abandon our meetings, as is the habit of some, but let us encourage each other, and all the more so as you see the day approaching)

Jehovah has always used the dominant power of the day to get his "Word" out. We therefore know from experience that for this millennium well underway, the Watchtower represents in our period its "Word". Given the failure of all congregations for centuries past: How can our brethren think for one moment that they are in Jehovah's approval with all the Watchtower's stumbling blocks. Moreover, they know very well that the New Jerusalem is the finality of God's plan. The sanction approaches: He gave their crops to the voracious locusts, the fruit of their labor to swarms of locusts. The whitewashed walls will crumble and hail will coat the forest. Their tables are covered in dirty vomit. They will be delivered to the power of the sword. Only terror will make them understand and fire will consume them.

None of us can fully understand how this selection works, let alone control it. Neither the one who plants is anything nor the one who waters, but God who makes it grow. King Solomon aptly described the situation, saying, “You do not know the work of the true God, who does all things. In the morning sow your seed and until the evening do not let your hand rest; for you do not know where this will succeed, here or there, or whether both will be equally good. (Ecclesiastes 11.5,6). So even if an anointed Christian has been chosen or called to go to heaven, he will only get his reward if he remains faithful.

Without forgetting the blessings thanks to Jesus guided by the holy spirit (On him will rest the spirit of Jehovah, Isaiah 11.2). With the love of his neighbor and true justice we obtain: For you are not a God who takes pleasure in wickedness, no bad man can stay with you. No arrogant can stand in your presence. You hate all who do bad things; you will kill those who tell lies.

Jehovah hates violent and deceptive people. By following these two commandments, we are on the right track.

The great crowd who come out of the great tribulation

Genco Giuseppe · 9 months ago

On this site, we have learned that the tribulation comes before the decisive 42 months when we will have the 2 kingdoms in competition, so we must encourage each other because only Jehovah knows those who will come out of the great tribulation that will be interrupted. Let us pray and repent, especially let us have this hope, faith and joy to be part of the Kingdom of God to come. You know indeed that it was not with perishable things, with silver or gold, that you were delivered from the kind of futile life handed down to you by your ancestors. No, but it is with precious blood, like that of a flawless and spotless lamb, the blood of Christ. May your kingdom come on earth as it is in heaven.

Prove yourself faithful even to death

**Genco Giuseppe** · 9 months ago

We know the whole world is under the thumb of demons, one of their tricks is to make those who are on their side look like servants of God. (What was sown by the roadside is someone who hears the word of the Kingdom, but who does not understand it. Then the wicked one comes and tears up what was sown in his heart). The son of God will destroy the works of the devil. But according to his promise, we are waiting for a new heaven and a new earth in which righteousness will dwell, and you have made them a kingdom and priests for our God, and they are to be kings and rule the earth. My tent will be with them; I will be their God, and they will be my people.

Even though Satan the Devil reigns: All the inhabitants of the earth are nothing before him, and he acts as he pleases with the host of heaven and the inhabitants of the earth. And there is no one who can stop him from taking action or say, "What have you done?" . Even though a man is planning his route in his heart, it is Jehovah who directs his steps. Jehovah is not slow to fulfill his promise, as some think, but he is

patient with you, for he does not want even one destroyed, but he wants all to come to repentance. Our test is approaching, it is up to us to pass it.

We come to the agony of the "system of things" and the change announced by the apostles and the rest of the 144,000, much of it has run its course and eagerly awaiting the arrival of our king's reign. During this time the sealing ends with the arrival of the tumult or tribulation which will be cut short. the final is being prepared on both sides, Evil is almost ready for the event and Good is refining its team as the decisive and momentous meeting approaches for humanity. The arbiter (Jehovah) of the meeting patiently awaits the start of the confrontation. This struggle is not a piece of cake but the result of man's choice of * free will * in Eden. What purpose ? So that as sin reigned with death, so also undeserved kindness reigns through righteousness which leads to eternal life through Jesus Christ our Lord. Romain 5 and chapter 22 "Yes, I come quickly" Amen, come Lord Jesus ".

Incredibly, after two millennia and near maximum education on the planet, this devil

If Trump brings the Special Forces and Marines against the empire that controls them, the response will surely be an overwhelming wave of violence. (This futile thing happens on earth: the righteous are treated as though they have done wickedly, and the wicked are treated as if they have done righteousness. I say that too is futile.). Then we will know for sure that the end time has begun. And from that moment everything will change. (He made everything beautiful at the right time. Weapons should not exist in the whole world, it is the opinion of all our brothers and in principle, all Christian people, our king demonstrated it very well during his arrest. This important detail should be the main focus for the coming government and will surely be the trigger to bring about a civil war in the United States. Brother Ken, it's the end result that matters even though we suffer from all these injustices, inequalities, wickedness and the list goes on. What must our ancestors think, nothing has been accomplished for millennia and we will (maybe) be the generation that will see what our ancestors would have liked to see done back then. What the Law was unable to do because it was powerless because of the flesh, God did by sending his own Son in the likeness of sin thirsty flesh to do away with sin. He thus condemned sin in the flesh, so that we may fulfill the righteous requirement of the Law by acting, not according to the flesh, but according to the Spirit.

Yes, the material has been well assimilated on this site, Bonnie. The tribulation is expected to begin with the economic collapse of society or a possible civil war in the land of Egypt represented by the United States at the time of the end. Which would produce general chaos in the world and the disappearance of a good part of the world population hence the tribulation cut short (Matthew 24.22, Mark 13.20). Then the

start of the 42 months kicks in, with the rise of the beast from the abyss (birth of the eighth king) and the parousia (Revelation 13,9). during this period, the choice of the beast or God for the rest of the inhabitants of the world and the death of the elect before Armageddon. The duration of the shortened tribulation is not known.

Originally, the Devil was a faithful angel, but "he did not stand firm in the truth" (John 8:44). He became a liar and rebelled against God.

However, the inspired word clearly says that in the future, because they will pay attention to deceptive inspired statements and teachings of demons, some will forsake the faith, dragged down by the hypocrisy of men who tell lies. , whose consciousness is as if branded with a hot iron (1 timothy 4.1,2). After a shortened tribulation, humanity will face a 42-month test and force all people to make a definitive choice between God and Satan. When the time appointed by Jehovah is reached, he will send our king Jesus Christ and his angels, finally "The matter of Satan will serve as a benchmark for eternity." May your kingdom come. My path is totally different from yours and most of the people on this site, dear brother Ken. Because my parents were Catholic and I remember that on Sundays, I went to mass, I already had the fear of God despite not knowing the Bible about

Jehovah and his son. When I got married, we started a study with a friend of my wife's faith grew and I was intrigued by 1914 and the year and 1975 and the calculation of the seven times, the life of a couple made sure that we stop studying and the problems of work and finance. Jehovah knows the heart and always guides his disciples. meeting two TJ brothers at work changed my life in the 90s, I am summarizing because I could write a book about it, my brothers have become almost "blood brothers" our debates on the scriptures were much deeper and instructive. My research on the 1914 biblical chronology was not in vain especially with the evolution of the internet, even the found and erroneous evidence of the WT did not convince my brothers (the board of directors is above all) , very sad My research is directed towards the scriptures, I read the bible and compared it with other Bibles and other religions like Protestants, Evangelicals, Mormons and one day I came across an article by Robert "war is inevitable" since 2014-15, I follow this site and I am very grateful for it and I continue to learn through comments and internal discussions between humble believers sincere towards Jehovah and the kingdom of his coming son. Brethren, I love the T.J. even though I am very reluctant to the Board of Directors playing and manipulating the humble, sincere brethren and dedicating their entire lives to Jehovah and his son Jesus, our Savior of mankind.

The first time I heard about Jehovah was in the 1970s, I was very young and it is true that he was preaching the end of the system of things as the year 1975 approached, with As I grew older, I realized that these brave brothers had tremendous courage, humility, sincerity, love and faith in Jehovah and his son. However, even after this error in prophecy, the Watchtower never questioned itself and continued to live in lies and slather a whitewashed wall. As a result, many stumbled and others sought the true word of God. Seekers of truth, through steadfast love for Jehovah have prayed and understood the secrets kept by Jehovah at the end time. Jehovah is kind to him who hopes in him, to him who seeks him tirelessly. It is good to silently wait for "Jehovah to save." For he who asks receives, and he who seeks finds, and to him who knocks it will be opened.

My personal opinion of the Watchtower is simple. Since 1991, the period of the Watchtower and U.N.'s sexual immorality announcement. and all those years spent with the pedophilia scandals, the sales of buildings belonging to the congregations and to God. Our majestic Jehovah has permanently abandoned the Watchtower and its gurus or dictators of Sodom as you explain in the article. The apostle Mark wrote. In addition, the good news must first be preached to all nations. This prophecy is in the process of being fulfilled and of course we do not know the precise moment nor the hour but current events in the world confirm this to us. Hear my prayer, O Jehovah, hear my cry for help. Don't be indifferent to my tears. Because I am just a foreign resident for you, a passing traveler, like all my ancestors.

Yes, brother, half is more or less in agreement and the other party absolutely does not want it but the media is pushing for the vaccination and they are praising it, even Macron (little Rothschild protege) imitated Trump by making us believing he had the covid, the lies, always the lies, my impression is that when that kicks in with you, the snowball effect will kick in. And consider that the patience of our Lord is salvation, as our beloved brother Paul also wrote to you according to the wisdom given to him.

Dear Kevin, my greatest wish I can give to our brothers T.J. and every Christian who loves God sincerely is the following: Ananias therefore departed and, when he entered the house, he laid his hands on him, saying: "Saul, my brother, the Lord Jesus, who appeared to you on the road by which you came, sent me to regain your sight and be filled with holy spirit. And immediately some kind of scales fell from his eyes, and he regained his sight. So he arose and was baptized; then he ate and regained his strength.

He stayed a few days with the disciples who were in Damascus, and he soon began to preach in the synagogues about Jesus, proclaiming that he is the Son of God.

Everyone who heard him was amazed and said, "Isn't this the man who violently persecuted those in Jerusalem who call on this name? Did he not come here to arrest them and hand them over to the chief priests? But Saul was gaining more and more power, and as he logically proved Jesus to be the Christ, he puzzled the Jews who lived in Damascus.

There you go, as Kevin promised, I just read Robert's article on the Watchtower's apologies to its followers. It is to our brother's credit for having published it and we recognize his humility, his sincerity and his love for the brothers whom he has worked with for countless years in the service of Jehovah. However, the hypocrisy of the Watchtower at the expense of his followers may not be unintentional, ultimately, they will assume their responsibilities when judging Jehovah and his son, wise advice that you recommended to me, thank you Kevin.

Our Great Teacher is the one who forms the hearts of all; he examines all their works. Knowing his creature, Jehovah evidently foresaw that no earthly organization would be able to lead his pace without his help. So he made a plan for the accomplishment of his purpose and used an organization capable of providing a remnant of the faithful in the flesh (in order to live out the time he had left to spend in the flesh, no longer for the desires of the men, but for the will of God). The Watchtower who served as a blueprint for our God was deprived of the holy secrets (parousia of Christ) hence the minimization of the parousia in the halls of the kingdom either willfully or out of ignorance. (This is what comes out of a man who makes him unclean, for it is from within men, from their hearts that evil reasoning comes: immoral sexual acts, theft, murder, adultery, greed, acts of wickedness, deception, shameless and shameless conduct, envy, name calling, false testimony and blasphemy). Now, the Second Coming of Christ will serve as our "test" for the judgment of mankind.

Revv area and Lazio, the bible is the word of God and is spiritual and true, it is the basis of faith. Since you love the pyramids and Egypt, I would like to prove to you that by the bible and the history, we can demonstrate the chronological error of the Watchtower on the destruction of the temple of Jerusalem by Jeremiah in chapter 44.30 with the word of Jehovah who delivers Jeremiah and his people to Pharaoh Hofra or Apries (589-570 before jesus christ). In this way, we find out the lie of the Watchtower. (607 and 587 which is also recorded in the book of the history of Israel which I sent in a past commentary.) We must not forget that a significant number have stumbled our brethren by this lie. proof of this lie. <https://louvrebible.org/oeu...> Thus, there is nothing hidden that does not end up being exposed, and nothing carefully kept secret that does not end up coming into the light. Mark 4.22

Human foolishness will not only collaborate with Satan and demons instead of repenting and coming back to ... Jehovah. But the rest of the humans who were not killed by these plagues did not repent of the works of their hands; they continued to worship demons and idols made of gold, silver, copper, stone, or wood, who cannot see, hear, or walk. They also did not repent of their murders, their spiritualistic practices, their immoral sexual acts, or their thefts. (Revelation 9:20:21). And when God's purpose is finished: There remains therefore a Sabbath rest for the people of God. In fact, the man who enters God's rest also rests from his works, as God rests from his. So let's do all we can to enter into this rest, so that no one falls down and follows such an example of disobedience. For the word of God is living and powerful; it is sharper than any two-edged sword and it penetrates until it divides the soul from the spirit, and the joints from the marrow, and it is able to discern the thoughts and intentions of the heart . In the financial (satanist) world in which we live everything is reversed. When we speak of the protection of nature it is in fact the destruction of man that is sought. In 1950 we were 2 billion people, in 2020 we are 8 billion. This is the main reason for the big resear. Woe to those who say good is evil and evil is good, to those who pass darkness for light and light for darkness, to those who put bitter in place of sweet and sweet in the place of bitter (Isaiah 5.20). For, indeed, it is right for God to return distress to those who cause you distress (2 Thessalonians 1: 6). And all those whose names were not written in the book of life were cast into the lake of fire (Revelation 20.15).

It is evident, brother that many signs make us discern that the preaching from house to house and in public is beautiful and well finished and we are heading towards tribulation, we have left the apostasy that the apostle Mark announced in the At this time, however, we have been aware of the serious internal problems of society for decades and perhaps for Jehovah the good news has been preached as announced. So, Brother Ken, I think the best thing for all of us is to let "the tribulation itself" as Burt put it in a commentary on this site.

Burt, you are absolutely right, the world is not realizing the evil that is brewing or it is fleeing the reality of the gravity of the current situation, the famous "distancing to respect" that our leaders impose on us is only a division and estrangement from others, the worst in this story is the spiritual damage because we have the fear of evil spirits instead of the fear of our God Jehovah who is our Savior with his son and his Saints. this is the real reason we will all be tested by the one who saves us. May God give courage, strength, power and wealth of spirit, honor, glory and blessing to all who hope and do not doubt in our Creator.

The zoom or the Internet allows the material to be assimilated over a longer period and risks confusion and misunderstanding of the scriptures. Taking my case, honestly I would never have understood the word of God if I had not known JWs at work and started a Bible study. Moreover, the organization in acting in this way is neglecting the elderly, illiterate people. , disabilities and many other cases. To end my comment, the preaching period is over and the tribulation is coming.

The "Masters" of the JW organization will succeed in predicting a third destruction of theological buildings dedicated to Jehovah and will totally ignore the abridged tribulation, the second coming of Jesus as well as the real destruction of the "holy place" predicted by Jesus in the gospels by the apostles, a very sad reality after a good hundred years of world preaching and will therefore be left to their own devices during the tribulation to come. Jehovah, will redeem Israel from all these sins (Psalms 130.8). Will Christianity Survive the End of the World?

Genco Giuseppe · 10 months ago

Jehovah will scatter you among the peoples. Only a few of you will survive among the nations to which Jehovah has led you (Deuteronomy 4:27). For this is the covenant that I will make with the people of Israel after those days, declares Jehovah: I will put

my law within them and I will write it on their hearts. Yes, I will become their God, and they will become my people.

And they will no longer teach each to his neighbor and each to his brother by saying, "You must know Jehovah!" Because they will all know me, from the smallest to the most important, says Jehovah. I will forgive their sin and I will no longer remember their sin. (Jeremiah 31.33 34). Whoever attests to these things says, "Yes, I am coming quickly." "

"Amen! Come, Lord Jesus. "

May the undeserved kindness of the Lord Jesus be with the saints (Revelation 22.20,21)

The Strong City of Salvation

Genco Giuseppe → **Bklyn Kevin** · 10 months ago

Thank you for these wonderful verses. If my friend speaks to me of these magnificent verses, I will answer him: Say to them: "As true as I am alive, declares the Sovereign Lord Jehovah, the death of a wicked one never pleases me; + + I prefer that the wicked one change his behavior + and stay alive. + Come back and give up your bad behavior +! Indeed, why should you die, O people of Israel (Ezekiel 33.11) For the Jews I have become like a Jew, + in order to gain Jews; + for those who are under the Law, I have become as if I am under the Law - while I myself am not under the Law - in order to win over those who are under the Law. + 21 For those who are lawless, I have become as if I am lawless - although I am not lawless as far as God is concerned, but under the law as far as Christ is concerned (1 Corinthians 20,21). For if anyone is ashamed of me and of my words, the Son of man will also be ashamed of him when he comes in his own glory and in that of the Father and of the holy angels. + But really I tell you, some of those who are here will not taste death until they see the kingdom of God first. + "(Luke 9:26, 27)

it is true that our TJ brothers expect to be the Bethel of the earth after the 3rd coming of Jesus but we recognize their merits during the long period of preaching the word of God. Now the expected test for all mankind is approaching with the second coming of Jesus. Let us encourage each other because as the scriptures predict. "Wherever

you dwell, the cities will be devastated, + and the high places will be demolished and will remain desolate. Your altars will be demolished, yes shattered, your disgusting idols will be destroyed, your incense altars will be brought down and all that you have made will be blotted out. The slain will fall among you, and you will truly know that I am Jehovah Ezekiel 6,6,7, we have been warned.

‘Look! This Is Our God...This Is Jehovah’

Genco Giuseppe · 10 months ago

an excellent vision of a chapter of Isaiah which also refers to the present times, Jehovah will accomplish his purpose and as the Lord Jesus tells us: I will deliver you from this people and from the nations, to whom I send you to open to them eyes, to turn them from darkness to light and from the power of Satan to God, so that they may receive forgiveness of sins and an inheritance among those who are sanctified by their faith in me. ”

Thanks Muldoon, our information is different on this side of the planet because they say there is no fraud and blame Trump and put Biden (puppet in a suit) in the White House. Everything is therefore preparing for the tribulation which in my opinion will be devastating and short because the conditions are different from the ancient times and we can see it clearly because they are preparing us for the dictatorship by taking advantage of the Covid (which exists because my brother-in-law and a of my brothers TJ died in infancy) as a blanket for the downturn in the economy and the reset scheduled for the year 2021. Pray that Jehovah and his son will help us during this decisive time for the humanity doomed to destruction.

In your article, you say “it is obvious that the big financials represent the Anglo-American part of our time.” When you discuss this with a brother TJ, it is not at all obvious because the organization teaches them that he is Russia, the king of the north, and the worst part is that he laughs at you. No, Robert you were very insightful and well inspired. I cannot thank you enough for finding your site and frankly thank you. A Gift Will Be Brought to Jehovah

The love we are to have for Jehovah and Jesus is that gift that God will receive from his Saints in the final battle before Armageddon and as he quietly looks on his established place like dazzling warmth with light, like the dew cloud in the heat of the harvest, he shows us that his confidence in humanity is evident. It's up to us to do everything possible to please our creator.

D'Orlov's book, Dhttps: //www.institut [momentum.org/cinq-stades-de...](https://www.institutmomentum.org/cinq-stades-de...) tells us that five stages are necessary for a collapse of civilization, but we who believe in God, we have further certainty that this event will unfold according to Jehovah's will, so we must; to repent, to arm us with patience and endurance in the faith for he will not delay and will come like a thief in the night. I owe my knowledge of the scriptures to two T.J. brothers with whom I have worked for over twenty years, and I thank Jehovah for giving me this opportunity. I cannot therefore in any case allow myself to criticize them in the field of preaching, on the other hand at the level of the writings, I can allow myself to be critical because thanks to the internet, we can better defend ourselves vis a vis people without scruples that lead brave, honest, and humble people into false beliefs through mere manipulation of the mind, and so I can better understand why Jehovah will give a large crowd a second chance for a thousand years. Jehovah is truly of immense mercy and love for these creatures because Satan or the adversary of God will allow him through his sins to recognize his own in a world where sin is king.

if Trump wins he will try to indict those who attempted the coup and that will hold up a bit longer, but if it's Biden it could go very quickly to put the downfall of the economy on the presidency of Trump and if this is the case we enter the beginning of the prophecy of Daniel 8. 23 to 27 because one can suspect that the tribulation to begin at the beginning of the covid because I think of "nation against nation" that is to say all the civil demonstrations in multiple countries of the world since the final goal of the beast directs us towards the world order and especially that all the religions are stopped or limited in the world (constant characteristics) thus to be held ready and to follow the events carefully.
